

BUSHWACK BULLETIN

Volume 46 - No 4 www.libertynet.org/susqatc DECEMBER 2000 -- FEBURARY 2001

OUR OBJECTIVES: GROUP HIKING + TRAIL MAINTENANCE + OUTDOOR RECREATION

UNLESS OTHERWISE NOTED, all hikes leave from FISHER PLAZA,

(ENTRANCE TO THE STATE LIBRARY) behind the State Capitol Building.
Should Fisher Plaza be closed, the alternate meeting site will be the parking island in front of the East Gate Office Center on 7th St. opposite the Herr St. underpass
Five additional minutes will be allowed at the alternate site.

If you ride with someone, you should give the driver 4¢ times the highway mileage shown, to help defray the cost of gas.

NO PETS ALLOWED

PRESERVING NATURE'S HERITAGE
33rd BIENNIAL APPALACHIAN TRAIL CONFERENCE
JULY 13 through 20, 2001 at SHIPPENSBURG UNIVERSITY

The 33rd Biennial Meeting of the Appalachian Trail Conference will be held at Shippensburg University, Pennsylvania from July 13 to 20, 2001. This is the fifth time that Pennsylvania has been host to a biennial A. T. conference and the second time at Shippensburg University.

Shippensburg University is located in the Cumberland Valley of south-central Pennsylvania, overlooking the beautiful Blue Ridge Mountains. The campus is situated on 200 acres of rolling land and is accessible to hiking on the Appalachian Trail. The area is rich with history, with Gettysburg, Antietam and the state capitol close by. You get a sense of history just traveling through town and noting the many historical markers and the horse and buggies that carry the local Amish farmers to town.

Hiking and Backpacking trips of various challenges will be led on the A.T. in southern and central PA and Maryland. Popular local area trails will also be included.

Some of the Excursions we have planned for participants are the Johnstown Flood Museum and National Memorial, the Altoona Railroad Museum and the Horseshoe Curve, the Gettysburg Battlefield, Hawk Mt. Sanctuary, Historic Hershey, the Lancaster Amish areas, the Pioneer Mining Tunnel, the Broad Top Railroad Historic Area, bicycling in historic areas and canoeing on the Susquehanna River, horseback riding and visits to cultural areas in our riverside capitol city, Harrisburg.

Workshops will be held on Trail Maintenance and activities, Conservation, Crafts, Astronomy, Civil War, Food, Hiking, Flora and Fauna, Map and Compass, Photography, Survival, Geology, Orienteering, First Aid, and Club Issues.

Some of the featured entertainment will be an Irish Singer and comedian, Sheamus Kennedy and Elke Baker, 1995 U.S. National Scottish Fiddle Champion, Contra and folk dancing, musical events and slide shows will take place every evening.

Registration information will be available in the March issue of the Appalachian Trail News, the A.T. and KTA Web sites and on Appalachian Trail Club web sites.

Chairing the all volunteer conference is: Thyra Sperry, ATC Vice Chair, representing the lead club, Susquehanna Appalachian Trail Club;

Committee Chairs are:

Katie Jones, Sue Peck, Bill Mayer, Kris Kyler
[SATC];

Barb & Al Wiemann [AHC]

Sara Dean [Batona]

Lennie & Bill Steinmetz and Mac White
[AMC-DV]

Janice Slaybaugh [CAATC]

Thurston Griggs [MCM] and

Ron Gray [YHC.]

DEADLINE FOR THE NEXT BUSHWACK BULLETIN

January 14, 2001

FROM THE PRESIDENT

Darlington Relocation Approved . . .

Thanks to hard work and persistence by club member Tom Scully and others, our proposed relocation of parts of the Darlington Trail has been approved by the PA Game Commission. This wonderful trail will be even more enjoyable in its future location. The new path will be more remote, less damaged and pass through some beautiful areas. It will lie entirely within State Game Lands, safe from developers.

Social Events . . .

Plan to attend our upcoming social events:

Holiday party, Saturday, December 2nd, West Shore Senior Citizens Center; See Page 6.

Annual Banquet, Saturday, March 24th, at Elizabethtown College;

Annual Picnic, Sunday, August 5th, Pine Grove Furnace State Park;

Watch for details in this and future bulletins.

Outreach . . .

Thanks to Jane Greber, Maura George and other SATC volunteers, the children of the Boys and Girls Club of Harrisburg are still enjoying the wonders of hiking and backpacking. They hope to continue the program next year with a new emphasis on the environment.

Updates . . .

The new AT pedestrian bridge over Rt. 225 on Peters Mountain is still on track to be completed next summer. . . Planning continues for the 2001 Appalachian Trail Conference to be held in Shippensburg. Hike leader recruitment for the conference will begin soon. . . The Central Pennsylvania Conservancy is very close to its goal of completely funding the Millers Gap / Darlington Trail land purchase and turning the property over to the PA Game Commission for preservation. Donations are still being accepted.

Budget Meeting and Dues . . .

At our last board meeting, the SATC board adopted a budget that reflects our increased printing and distribution costs along with our desire to contribute to land preservation efforts like the one that saved Miller's Gap / Darlington Trail property from development. In order to meet these new

expenses, the club dues will go up to \$7 annually for an individual member and \$10 for a joint membership. The increase takes effect on April 1, 2001. Those who renew before then may pay the old rate of \$5 for individuals and \$7.50 for joint memberships.

See Page 6.

Life Memberships . . .

The cost of a life membership in the Susquehanna Appalachian Trail Club is 25 times the annual rate. Thus, those who purchase life memberships before April 1, 2001 will pay \$125 for an individual and \$187.50 for a joint life membership. On and after April 1, the costs rise to \$175 and \$250. If you've been considering a life membership, this is your chance to purchase it at the lower rate while making an important contribution to Trail preservation.

See Page 6.

Hike Leaders Needed . . .

Willing to lead a hike but don't know where to go? Maps, guidebooks and hike information sheets will be available at the next quarterly meeting. Co-leaders can be found as well. Bring your calendar and your enthusiasm. New leaders are always appreciated!

Game Commission Stamp . . .!

Please read the article on page 7 by board member Will Webster in this issue of the Bushwack Bulletin and consider purchasing Conservation Stamps and Wildlife Patches -- an important way to continue the partnership between the Game Commission and the hiking community.

ATVs . . .

All-terrain vehicles are noisy, polluting and damaging to forests. In his continuing fight to stop the increase in ATV trails in the State Forests, Secretary Dick Martin has documented their destructiveness and will be testifying on behalf of hikers at an upcoming hearing. Our thanks to Dick for his hard work on this issue. The Keystone Trails Association president Hugh Downing will testify as well. KTA and its member clubs represent over 35,000 hikers. Your help is still needed. Keep writing letters and sending in petitions.

Your president
Katie Jones

HOLIDAY PARTY

WHEN : Saturday, December 2, 2000, at 7:00 p.m.

WHERE : The West Shore Senior Citizens' Center
122 Geary St., New Cumberland, PA.

BRING : Covered Dish to Share.

The Party Committee for this year will be:
Katie Jones, 249-6727 Barbara Harvey, 766-7868
Anna Pruett 561-1968

The committee needs to know who is planning to come and what they intend to bring, or if you aren't sure what to bring, the committee can offer suggestions on what is needed.

Members are asked to bring along some of their favorite slides taken on this year's hikes and/or vacations. Please limit your presentation to 10-15 minutes and identify your slides with your name.

Notice of Dues Increase

On April 1st, 2001, annual dues for SATC will rise from \$5. to \$7 for individuals and from \$7.50 to \$10 for joint memberships. Those renewing before April 1 may pay at the old rate.

Life memberships are 25 times the annual rate, allowing a savings of \$50 for individuals and \$62.50 for joint members who purchase life memberships before April 1st.

CODES FOR THE HIKES

A - Easy	- Hikes of up to six miles with very little hill climbing [Excellent for beginners.]
B - Fairly Easy	- Hikes of up to six miles with some climbing. [Good for beginners.]
B+ - Moderate	- Hikes of up to six miles with more difficult climbs.
C - Fairly moderate	- Hikes of 7 to 9 miles with very little climbing.
C+ - Strenuous	- Hikes of 7 to 9 miles with several significant Climbs
D - More strenuous	- Hikes of 10 to 12 miles with very little climbing.
D+ - Very strenuous	- Hikes of 10 to 12 miles with several significant climbs.
E - Difficult	- Hikes of over 12 miles.
E+ - Very difficult	- Hikes of over 12 miles on very rugged terrain.

In addition the leaders should describe the pace and footing, where this is essential, such as: "Easy with moderate or fast pace;" or "Easy with nature stops;" or "Good footpath;" or "Rocky and rough;" etc.

SMOKING GUIDE LINES

The S.A.T.C. prefers that hikers refrain from the use of tobacco products during club activities.

Smokers are responsible for damage to the forests.

Pack out all waste materials.

HIKERS AND THE GAME LANDS

One thing that we can be grateful for as Pennsylvanians is the vast amount of public land available to us at no charge – the State Forests, Game Lands, and Parks. Of these, the State Parks are fairly small and often relatively developed, and the State Forests are managed more for the timber industry than for recreation. It should come as no surprise that many of SATC's hikes are on State Game Lands.

These lands are owned and managed by the Pennsylvania Game Commission. The Game Commission gets about half of its funding from the sale of hunting licenses, and most of the rest from timber sales and from a federal excise tax on firearms, archery equipment, and ammunition. Very little of it comes from state taxes. This leaves hikers, in the eyes of many in the hunting community, in the position of parasitical users – we benefit from the Game Lands but do not contribute to their upkeep.

Of course, we do contribute. Tracts such as Middle Creek have been purchased through bond issues, which were paid off by tax money. Some of the trails we maintain are in the State Game Lands. And recently we made a sizeable donation to the Central Pennsylvania Conservancy to help pay for a parcel of land at Miller's Gap (for which CPC had outbid developers, and which they subsequently turned over to the Game Commission). But that sizeable donation amounted to only about \$2.50 per SATC member; a pittance compared to the \$20 a hunter pays every year for a basic hunting license. Since some of us use the Game Lands more than many hunters, there's still a lot of room for us to pull more of our weight.

Many non-hunting outdoor enthusiasts address this gap by buying hunting licenses. It certainly gives them an answer for anybody who accuses them of freeloading. When the Game Commission compiles statistics, however, they are counted as hunters. And when issues like Sunday hunting come up, the Game Commission will listen most to those

who have been providing their funds. The SATC Board feels that it is important not only to pay our fair share for maintaining the lands we use, but also to do so in such a way that the Game Commission is aware that the support is coming from non-hunters.

The Game Commission does have a program by which non-hunters can contribute to the cost of maintaining the forests we hike in; they call it "Working Together for Wildlife". They sell patches and art prints, and accept direct contributions, with the proceeds going for wildlife habitat purchase and maintenance. They have also started selling Conservation Stamps. SATC will be participating in this program. We will receive the stamps on consignment from the Game Commission and keep a portion of the sales price. The Board has committed that all money from Stamp sales will be donated either directly to the Working Together For Wildlife fund, or to a program such as the Miller's Gap land purchase. The Club will also be purchasing a quantity of Working Together for Wildlife patches from the Game Commission for resale to members at no markup. Hikers with Internet access can view the patches at:

http://sites.state.pa.us/PA_Exec/PGC/pgcpatch.htm

The Board of Directors of the SATC does not necessarily support every action the Game Commission has taken over its long history. The Board does, however, feel that visibly supporting the Game Commission's non-game and habitat programs is one of the best ways to counter the fiction that only hunters support lands for wildlife. A good way for members to do this is to buy Conservation Stamps and patches through the club. By helping to bear the cost we will be doing the right thing, and by doing it in a visible way we can remind the Game Commission that hikers are an important part of their constituency.
