COMING EVENTS . . .

Two very special events take place this summer -- one of them in only a few days:

NATIONAL TRAILS DAY . . .

National Trails Day, sponsored by the American Hiking Society, is celebrated every year on the first Saturday in June. Over 3,000 events are hosted nationwide including new trail dedications, workshops, educational exhibits, trail maintenance and hikes on America's favorite trails.

This year our club will be celebrating by dedicating the newly relocated portion of the Darlington Trail - now a more attractive hiking experience and protected from development. Please read trailmaster Jeff Buehler's article in this newsletter and check the hike schedule for the details. Then join us for the ribbon-cutting ceremony and a hike.

2001 APPALACHIAN TRAIL CONFERENCE . .

In a little over one month, the 2001 Appalachian Trail Conference will begin in Shippensburg, PA. This is the weeklong event that you've heard so much about. 189 hikes, 30 excursions, 88 workshops, awards, speakers and nightly entertainment invite you to participate. If you haven't already registered, check out this web site for the entire registration packet:

www.appalachiantrail.org/about/biennial.html
Or contact Thyra Sperry [hikethyra@aol.com] or 717-258-5261 for information. This is something you won't want to miss.

WOULD LIKE TO HELP? . . .

Helping is part of the fun!

If you would like to help with the Conference (SATC is the lead club among those hosting the conference), please contact Thyra (above).

If you're able to lead a hike, please contact me (Jonesk@dickinson.edu) or 249-6727, as it's likely that the hikes committee is still looking for hike leaders -- especially back-up leaders who can help accommodate any last minute changes in the conference hike schedule.

If you've already volunteered to help for the conference, **THANK YOU!** We couldn't host such a large event without help from so many of you.

The ANNUAL PICNIC . . .

Another SATC event this summer will be our Club picnic on August 5th. I'm hoping that it will double as a celebration of a successful conference at Shippensburg. Check out the article on page 7 for details about hiking, swimming and food.

CLUB T-SHIRTS . . .

Club T-shirts are now available! Krista Cessna has designed a beautiful shirt for our club - a colorful view of the Susquehanna River from SATC's section of the Appalachian Trail. Watch for them at a Club event.

Cotton shirts are \$12 and "Dri-Release" shirts (of 85% polyester and 15% cotton) are \$18. Thanks to Krista and Pete Fleszar for doing everything necessary to bring us these wonderful new shirts.

EARN YOUR SHIRT . . .

You can now pay for your shirt with sweat instead of dollars! SATC's board of directors has voted to give one of the new T-shirts, with the words "Trail Crew" added, to anyone who has worked 40 hours on scheduled club trail maintenance trips. This is our way of rewarding our hard-working volunteers.

The first shirts were awarded at the March banquet to those who have worked a total of 40 hours in the last two years. Hours are cumulative, so we hope to have many more shirts to award in the coming years.

CERTIFICATES OF APPRECIATION . . .

Certificates of Appreciation were given to SATC's hike leaders at the banquet. Susanne Donmoyer, having lead 12(!) hikes in the past year was also presented with one of the new shirts.

A special award was given to long-time club volunteer, Clarence Fredlund. Jane & Randy Greber, John Stein and Louise Sis helped to present the first annual "Giant Boot" award to Clarence. We hear that he's still wondering about how we got a picture of his empty boots on the plaque!

Can anyone else fill boots that size? [Come to SATC's 2002 banquet to find out!](#)

[See you on the trail!!!](#)

NATIONAL TRAILS DAY EVENT

Saturday, June 2, 2001

This years National Trails Day event will be a Grand Opening hike on the newly relocated Darlington which is located on State Game Lands #170 near the Cumberland/Perry County line on Blue Mountain.

The hike will treverse a new section of the trail, east of Lambs Gap Rd., following the new sidehill trail constructed by SATC volunteers. The route descents down into the pretty Bryson Hollow stream drainage area before terminating at Tower Rd. on the north side of Blue Mountain.

The Darlington Trail relocation has been a cooperative project between our club and the Pennsylvania Game Commission, on whose land the trail traverses. Without the assistance and approval of the Game Commission, this project would not have been possible. SATC recognizes and thanks the efforts of the following key Game Commission personnel who facilitated in the development of thii new hiking trail which is now open to the public to enjoy:

Roland Bergner, Chief, Federal/State Coordination Division, Bureau of Land Management;
Steve Spangler, Supt. Land Management Group, South Central Region;
TimGrenoble, Wildlife Conservation Officer, covering SGL #170.

An invitation to attend and participate in our ceremonial hike will be extended to our land managing partners. The Susquehanna Appalachian Trail Club also wishes to thank the Central Pennsylvania Conservancy, its president, Carol Witzeman, and her staff; and all the organizations and individuals who helped to preserve an important part of the Darlington Trail by purchasing the Millers Gap property.
