

OUR FAVORITE HIKES - No. 13 THE DARLINGTON TRAIL SERIES - PART 2

WTPA-TV TOWERS TO LAMBS GAP

Last quarter we took you from Overview to the WTPA-TV towers, and we had several calls telling us that we should have included the mileage down Tower Rd, as there is no place to park at the WTPA facility.

The additional data is:

Down Tower Rd to the intersection with Mountain Rd: .81 m; total 3.33 m.

To the intersection with Valley Rd, 1.24 m total: 3.76 m.

Current data is:

- Leave Valley Rd .00
- cross Mountain Rd .43
- reach WTPA-TV on Tower Rd. .81
- Turn left on Darlington and cross obscure Holtz Rd 1.90
- Pass Radio Tower 1.05
- Lambs Gap Rd .38
- bear right to parking .05

An alternative is to combine the two parts, starting at Overview. The data is:

- Park along Railroad Ave., near where it crosses Rt 15 in Overview 0.00
- Turn right on unnamed road and follow it up mountain side to orange blazed Darlington Trail 0.62
- Reach crest of mountain and turn left. 0.76
- reach Tower Rd; bear right to TV tower. 2.52
- then left on trail. 4.42
- cross obscure Holtz Rd. 5.76
- Pass radio tower. 6.14
- reach Lambs Gap Rd, bear right to Game Commission Parking area in Lambs Gap. 6.19
